Hello Sergei (please forgive spelling if incorrect) and Galina,

Attached is the United States Environmental Protection Agency (US EPA) form for participation in the Festival on this Saturday. We are looking forward to being there.

We plan to bring information on the Portland Harbor Clean-up Site, information about fish in Portland Harbor that are unsafe for eating, and fun activities for children such as coloring books, rulers, buttons, stickers, wheels, pens/pencils, erasers, and book marks.

The representatives from EPA will be:  
Alanna Conley and Richard Muza

Please feel free to call me at 503-326-6831, or on Saturday at (b) (6) for updates.

Mrs. Kit Brandt from our Seattle office is coordinating payment for our booth and should be to your office soon.

Thank you,  
Alanna
